DALY CITY BAND WINS

Adjudged Best In Eagles' Parade At San Jose

Playing to cheering crowds who packed the streets of San Jose on Sunday, the Daly City band won first place honors in the huge parade staged there by the State convention of the Fraternal Order of Eagles of California.

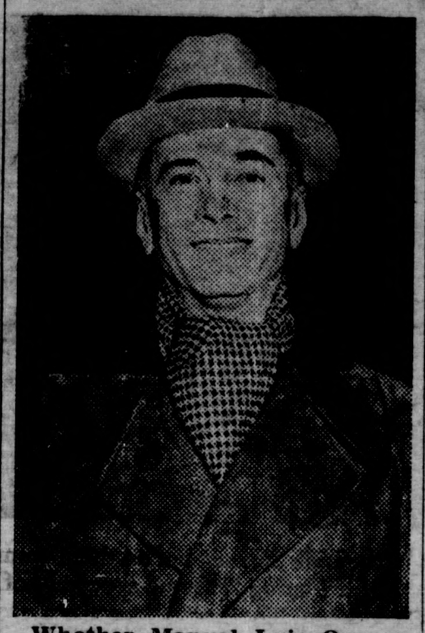
Meeting state-wide competition, the local band proved their supremacy in more than two and one-half hours of playing. Leading the fourth division of the immense parade, the 35-piece organization marched from 2:30 to 5 p. m.

George E. Brenner, bandmaster, resplendent in a black uniform elaborately trimmed with gold braid; Miss Bobbie Bruce, pretty drum majorette, dressed in red satin with silver trimming; and Tipton Banks, official drum major in the regulation uniform, with wide white stripes, won their share of honor and applause.

From 5:30 to 6:30 p. m., the band presented a concert in front of the civic auditorium in San Jose. They were later entertained at an Itlaian dinner.

Members returned home late Sunday evening to receive congratulations upon winning the first competitive event in which the local band has ever entered. The cash prize will be used to further band activities here, Brenner stated.

Second Term?



Whether Manuel Luis Quezon, president of the Commonwealth of the Philippines, will succeed himself in office depends on the outcome of yesterday's national plebiscite. Filipinos will vote on a constitutional amendment allowing a second term for their chief executive, whose term expires in November. Quezon is held a certainty to win if the amendment is passed, and if he desires re-elec-

Inaugurate New Service On "9" Line

Faster and more frequent transportation for Daly City is the hope of the Market Street Railway company in inaugurating a new service here on Sunday.

Modern 36-passenger buses will replace the No. 9 street car on San Jose avenue. Running at intervals of only a few moments apart, the new coaches will travel down San Jose to Guerrero street; down Guerrero to Eighteenth; along Eighteenth to Mission, and down Mission to the Ferry building.

It is expected that the new system will substantially increase the speed, comfort and convenience of transportation to downtown San Francisco, according to Market Street Railway officials.

Faculty Members Continue Study

Two Jefferson Union high school faculty members will continue their education during the next few months, it was learned here today.

Dante P. Lembi, Jefferson Union high school language instructor, begins a summer course at Stanford university this week. Author of several published articles on the teaching of the Italian language, Lembi is already recognized as an authority in his field. During the summer he will continue the work he pursued at

Fire Department Answers Three Alarms

Three alarms kept the fire department busy last week.

A false alarm was turned in at 11 p. m. from Woodrow and Vista Grande and was answered by Companies Nos. 1, 2 and 3.

A grass fire at Niantic and Los Banos was extinguished late Thursday afternoon by Companies Nos. 1, 2 and 3.

Saturday, at 11 a. m., Companies Nos. 4, 5 and 1 were called to 565 Bellevue to extinguish a roof fire. The blaze was quickly put out and little appreciable damage done.

RE-ROUTE BUSES TO "K"

Issue Appeal For Support Of All Citizens

In a final effort to put the municipal transportation system on an adequate financial basis, the Daly City council this week re-routed the buses to make their former connection with the "K" street car terminal.

The buses will run on a 20-minute schedule from 7 a. m. to 7 p. m. daily except Sundays. Round trip fares anywhere within the limits of Daly City will cost only 5c.

Copies of the new schedule, distributed throughout the city this week, were accompanied by an urgent appeal to local citizens to patronize the buses.

Meeting in informal session at the city hall Thursday evening, the council considered ways and means of reducing the financial loss of the transportaton system to the city. Several plans were heard and discussed before the schedule advocated by Councilman Paul G. Selmi was finally adopted.

The financial loss of the buses since their inauguration here December 1 has been set at approximately $665 per month by C. E. Piatt, certified public accountant for the city.

A trial plan recently put into effect re-routing the buses to Sickles avenue proved unsuccessful in solving the problem.

County Clerk Issues Dates

W. H. Augustus, county clerk, announced today that applications for appointments as precinct officers for the election, August 27, will be considered only in the order received between July 1 and July 10 inclusive.

In conjunction with his announcement, the county clerk pointed out that qualified electors are again invited to file with the county clerk, applications to serve on precinct boards for any and all county elections, providing such applications are not submitted more than 60 nor less than 45 days prior to any election.

Augustus further stated that although it would be his continued policy to give preference to the unemployed and without regard

Daly City Answers Appeal For Funds

Daly City responded generously this week to an appeal for funds by the San Mateo County Chapter, American Red Cross, to abate the suffering of refugees in war-torn Europe.

Stressing the desperate needs of the Allies' civilian populations, the local committee bent every effort to fill Daly City's quota of $300.

The committee appointed by Mayor John J. Fahey includes Arthur J. Bodien, who was elected chairman; Richard Ennis, secretary-treasurer; James Ferguson, Walter Dorn, Richard L. Crane, A. J. Gaggero and John Ferrari.

No solicitations are planned, but voluntary contributions in any amount are invited. Donations may be left with Ennis at the local branch, Bank of America.

R. L. Crane Presides At Employees' Meet

R. L. Crane, superintendent of Jefferson elementary school district, presided at a meeting for non-certificated county school employees at the San Mateo junior college, Monday.

Present at the all day session were Pansy Jewett Abbot, county superintendent of schools; Andrew L. Spinas, president of the county board of education and many members of county school faculties.

The maintenance of buildings, heating and ventilation, gardening and transportation were discussed during the day.

The "Rambling Dudes," a cowboy band under the direction of Joe Bartholomew, Colma, entertained with songs of the range.

County Executive Suggests One Book

Working toward further unification of San Mateo county, County Executive Frederick Peterson this week suggested that all county telephone numbers be listed together in the next telephone directory.

Hugh Well Monahan, district commercial manager of the Pacific Telephone and Telegraph company, promised that the matter would be taken under advisement.

Under the present arrangement, it is necessary to look in the Santa Clara directory for many numbers in the Menlo Park and Atherton area, and in the San Francisco directory for the listings in the northermost part of San Mateo county.

This classification makes it necessary for business houses who cover the entire county field to have on hand San Francisco and Santa Clara county directories, in addition to the county one.

The telephone company would be doing Peninsula subscribers a real service by unification of the county's listings in one book, Executive Peterson believes.

Colma Boy Enters Soap Box Derby

Colma's threat to the National Soap Box Derby Classic, thirteen-year-old Don Bortis, is slowly but methodically getting his entry in shape for the semi-finals at Treasure Island, July 28.

Don's racer, a speedy looking point-nosed affair built to national specifications, shows studied craftsmanship in every line. He works on it in his serious, unhurried way, as if he were building a fine watch.

Safety is the keynote of derby entrants; and with the building of safety features into the racers, sound mechanical and engineering principles are learned by the boys.

On July 28, on the course specially built for the event, Don will

Willard Mitchell Wins Scholarship

When a student wins the George Gamble scholarship at Stanford university he has reached a peak in student endeavor. But when the same student adds to this achievement by winning a summer scholarship to the Institute of International Relations at Mills college, his feat is indeed hailed as brilliant.

Willard Mitchell, 552 Vista Grande avenue, graduate of Jefferson and one-time cornetist and emcee with Lembi's Indians of Rhythm, now holds both of these honors.

Mitchell received the news last week that he had been selected by Stanford faculty for the scholarship at Mills.

There he will listen to the lectures of such well known authors, scholars and speakers as T. Z. Koo, Albion Ross, Vera Micheles

National Defense

In its move to strengthen national defense on the Pacific coast, the government yesterday filed a declaration of intention to acquire title to two more property sites in San Mateo county. The acquisition will be by right of eminent domain, according to the declaration which was filed in the U. S. district court in San Francisco.

During the last few months, the army has acquired property at Pillar Point, Devil's Slide and Mussel Rock. Army spokesmen have claimed the land will be used merely as observation posts to guard the entrance to San Francisco bay in case of enemy attack.

Aeronautics At J. C.

Although vacation has arrived, San Mateo junior college will establish a precedent when it offers a summer course this year in aeronautics, in order to assist the federally sponsored drive to increase the number of trained pilots in the United States.

The class opened immediately following the close of the college. The emergency course this summer will be followed by a general course during the next college year.

County Fiesta

San Mateo county will hold its tenth annual Fiesta at Bay Meadows, San Mateo, September 19 to 22 inclusive.

The board of directors announce several entirely new features this year, including a Hobby display. Exhibits will be accepted from everyone who has a hobby, old and young alike.

Persons interested in exhibiting in the Hobby section are invited to get in touch with the Fiesta office in San Mateo.

Principal James Ferguson Reviews Year's Accomplishments At Jefferson Union High School Commencement Exercises

Serious and yet inspiring was the tone of Jefferson Union high school's commencement program last Wednesday evening. Student speeches, presentation of diplomas, and impressive music combined to make the event a memorable one for the ninety-five capped and gowned seniors and for the hushed audience which filled the high school auditorium.

Briefly reviewing the accomplishments of the past year, Principal James Ferguson pointed out that nearly $1200 a month donated to the high school by State and Federal governments had made possible many much-needed improvements. He particularly stressed the advantages to student health of the low-cost cafeteria program installed here this year, which provides SRA supplementary food.

Ferguson extended his congratulations to the graduates and teachers and to those students who have made such remarkable records for Jefferson during the past few months. A national typing title, a State win in an Americanism essay contest and outstanding honors at Stanford university are only a few of the student accomplishments which Jefferson may remember with pride this year.

Jefferson will re-convene the last week in August for the next regular high school session.

Eighth Dist. VFW To Participate In Convention

Members of the Eighth district post and auxiliary, V. F. W., met Sunday in a business session at Mountain View.

Final arrangements were made for the units' participation in the department of California VFW annual convention to be held in Oakland, June 23 to 26.

It was decided that the flag to be given by the auxiliary will be presented to the Boys Model Aeroplane club of Spreckles, California.

Attending the meeting, Sunday, from post and auxiliary No. 2044, were Mr. and Mrs. Walter Dorn, Mr. and Mrs. Rene Brulez, Mr. and Mrs. Victor Doolin and Mrs. Anne Sendner.

The Old Glory drill team is practicing to march in the monster parade Tuesday evening at the convention, which will include post and auxiliary members from every part of the State. Daughters unit, Old Glory auxiliary No. 2044, will take part in the parade, with a number of members and delegates from the Daly City post and auxiliary also participating.

Presiding over the sessions of the posts will be department Commander Harry Lull and at the auxiliary meetings, Department President Sister Iva Neely.

Twenty-Five Eagles Attend State Convention

Swelling the ranks of marchers in the Eagles' Convention parade in San Jose, Sunday, were 25 members of Colma Vista Grande Aerie, No. 1848. Carrying full-length canes with red, white and blue ribbons, the Eagles' colors, the local contingent was a colorful part of the group from the five San Mateo aeries.

San Mateo county parade committeemen expressed their appreciation for the excellent turnout. More than 200 members traveled to San Jose for the event. Plans were laid to keep the committee active throughout the year, in order to sponsor other county-wide events for the aeries. Emil G. Stein is chairman.

Fred Hanel, worthy president, had charge of arrangements for local participation in the statewide event.

Buick Deliveries In May Total 1,703

Retail deliveries of new Buick motor cars in California during May totaled 1,703 units, according to official figures received here by M. J. Soldavini, Belli Motor company, local Buick dealer. This was the best month's retail volume this year and compared with 1,241 in May last year is a gain of approximately 37 per cent, Soldavini said.

"The May showing is only in keeping with the records that Buick has created ever since the introduction of the 1940 models last Fall," Soldavini stated. "We believed that records made in the past would be hard to beat but they have tumbled month after month. There has been a stronger and more consistent demand for the 1940 models than any Buick ever made. And this, of course, also is true throughout the country for last month Buick, with the production of its 250,117th 1940 car, exceeded all previous model year output records.

"The fact that the factory increased its manufacturing facilities has been of great assistance to us throughout the 1940 selling season, and our shipments have been coming through in such manner that we have been able to take care of orders with less delay than ever before."

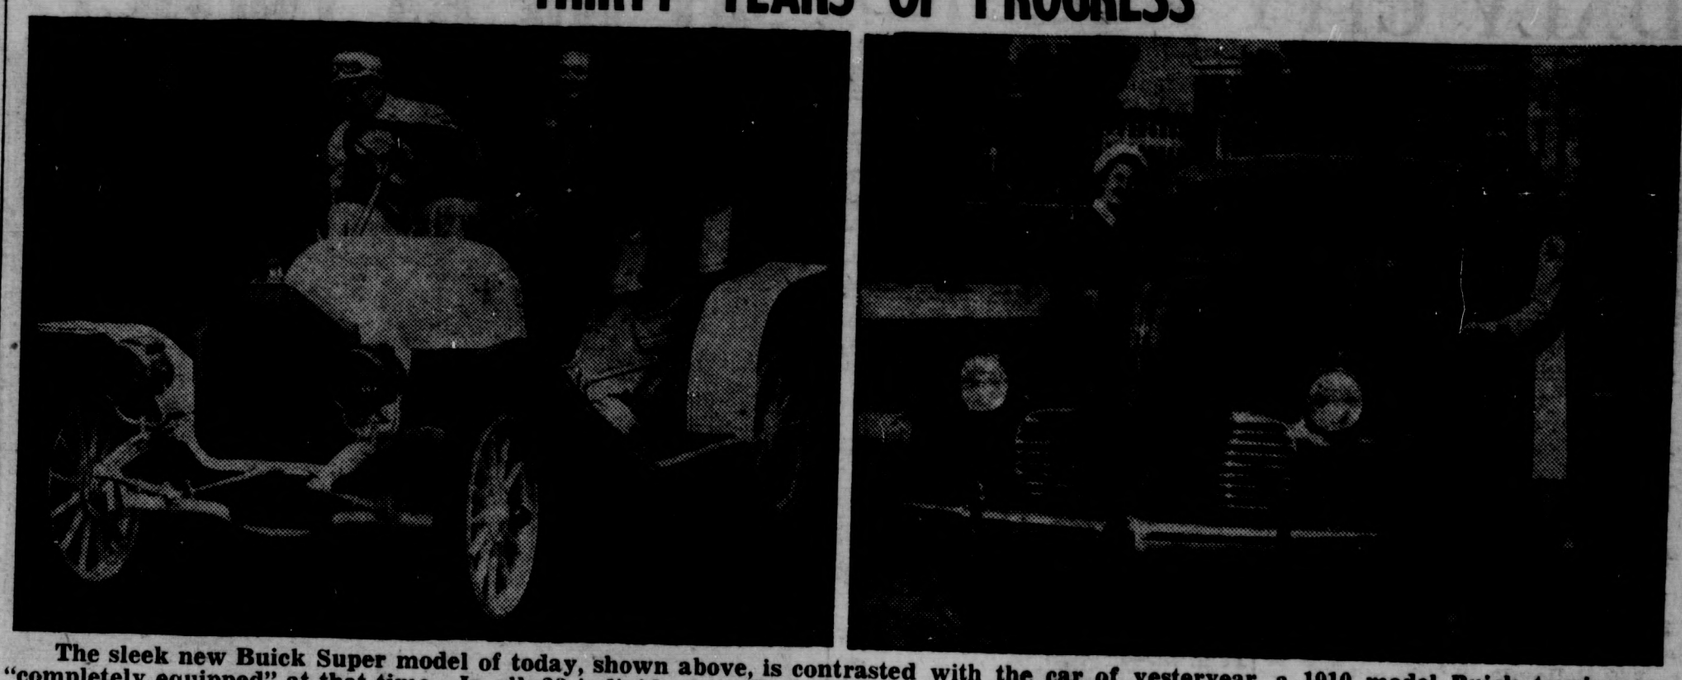
THIRTY YEARS OF PROGRESS



The sleek new Buick Super model of today, shown above, is contrasted with the car of yesteryear, a 1910 model Buick touring car, "completely equipped" at that time. In all, 23 individual items that were considered as "extras" heretofore are now standard equipment on all 1940 models of this manufacturer, M. J. Soldavini, Belli Motor company, local dealer, advises.

THIS IS BUICK'S BIGGEST YEAR

Why not drive the car that made history?

YOU see something pretty special in that bright and shining Buick stepping along so dashingly here!

It's the biggest-selling car we ever built—our all-time sales champion. You've got to admit it had to be *good* to earn itself that title.

Maybe it would be a smart move on your part to find out why.

So, look into the smoothness of the only engine electrically balanced *after* assembly — sample firsthand the level comfort of coil springs all around. Try out the roomy comfort of the Buick SPECIAL, the biggest car, bumper to bumper; you can buy at the price.

Yes—prices begin at $895 for the business coupe—price of the 4-door sedan illustrated is $996 delivered at Flint, Mich.★

The price, incidentally, is one of the biggest reasons why this is Buick's banner year.

You pay no more for this Buick, pound for pound, than for a good cook-stove — yet there are no less than *six dozen* smart new 1940 improvements built into it, and a whole flock of things that would be "extras" elsewhere are *included* in the price.

Specifically, prices† begin at $895 for the business coupe, delivered at Flint, Mich. ★Transportation based on rail rates, state and local taxes (if any), optional equipment and accessories are extra.

Hadn't you better see *your* Buick dealer — and get on the value bandwagon now?

The Talented McKellen Brothers, who are important members of the stellar Ice Follies cast.

Maxsons Return To Ice Follies

Back in the cast of the dazzling Ice Follies this week were Ruby and Bobby Maxson, youthful pair-skating champions of the Northwest.

Audiences who have thrilled in the past to the smooth skating of the young brother and sister were again delighted when their act went into the program of the show, which is playing nightly to capacity audiences at Winterland, in San Francisco.

The temporary absence of the Maxsons from the list of star skaters in the Ice Follies was occasioned by a sudden illness which required surgery for Ruby Maxson.

Greeted upon her return by Eddie Shipstad, Oscar Johnson and Roy Shipstad, producer-stars of the ice revue, Miss Maxson said she "felt better than ever" and then proceeded to prove it on the ice, with her brother.

The group which the Maxson's just rejoined is composed of sixty-five of the world's greatest ice skaters, banded together by the Shipstad-Johnson-Shipstad team into a sparkling entertainment team.

This year's Ice Follies is completely new, with routines, costumes, lighting and music all different from the show of last year. Present again, however, is the same great cast of stars, including Bess Ehrhardt and Roy Shipstad, Evelyn Chandler, Shipstad and Johnson, Fran Claudet and Osborne Colson, La Verne Busher, Frick and Frack, Idi Papez and Karl Zwack, and many others.

Seats for all performances of the Ice Follies are available at Winterland, in San Francisco; telephone WAlnut 0112; and at Sherman Clay box offices in San Francisco and in Oakland.

Give Guardsmen Two Extra Weeks

Attendance at National Guard encampments by guardsmen who are employes of Bank of America is to be made especially attractive this summer.

According to announcement today by L. M. Giannini, president of the bank, staff members enrolled in the National Guard will be given two extra weeks of vacation with pay, in addition to the regular two weeks which all permanent employes are granted. Thus they will suffer no loss of income throughout the entire summer training period of four weeks.

"This opportunity to cooperate tangibly in the defense program of the country," Giannini declared, "is welcomed by Bank of America."

Drama And Radio Class To Produce Plays

After a successful winter and spring season, the WPA Recreation department drama and radio class, under the direction of Miss Marie Burton, plans to produce several advanced plays, both on the stage and over the radio.

Several new scripts, varying from comedy to drama, have been obtained for the radio players. Stage plays are also diversified in theme and subject to give drama students a wider scope in their efforts.

The drama class will meet through the summer months as usual, Tuesday and Thursday evenings at the Jefferson Union high school Little Theatre.

Ann Sheridan Stars In Film At D. C. Theatre

The Daly City theatre's next attraction, opening tomorrow, will be "It All Came True," based on the Louis Bromfield novel and starring Ann Sheridan, the red-headed Texan dynamo who has become Hollywood's most outstanding feminine personality.

Playing one of the most delightful characters ever created by Louis "Rains Came" Bromfield, Ann is at once bold and beautiful, hot-tempered and honest. She is sentimental but is the last person in the world to admit it. She sings, does the rhumba, and "hangs one" on the jaw of a would-be talent scout, all with equal proficiency.

With the quaintness, charm and dramatic suspense of the Bromfield novel, "It All Came True" tells the story of a group of people who live in a New York boarding house run by two sentimental old women, using it as a refuge where they can fight off the reality of the present and dwell in the fond memories of the past. The complacent atmosphere of the house is shattered when first Ann, daughter of one of the landladies comes home to roost and again when the house-keeper's son, Jeffrey Lynn, returns home after an absence of five years, with a gangster who intends to use the house as a hide-out. The gangster, played by Humphrey Bogart, is so won over by the motherly ministrations he receives that he offers to straighten out the financial difficulties of the boarding house by converting it into a night club with a "Gay Nineties" background. From there the story works up to a surprise climax.

Cleverly worked into the story are the songs "The Gaucho Serenade" and "Angel In Disguise."

Companion feature will be "The Bluebird," starring Shirley Temple.

De Soto Has Instant Control

The astounding fact that there are more automobiles than telephones in this amazing country of ours, is a surprising indication of what a tremendous factor the motor car has become in modern living.

"When you stop to think that one office building alone may have hundreds of telephones," pointed out James E. Donahue, Daly City De Soto-Plymouth dealer, "you get a clearer picture of the number of cars on our streets and highways today.

"It was with this fact in mind that De Soto's highly skilled engineers worked to present the motorist a car that would respond to his every touch in emergencies, and that would enable him to have the comfort demanded by the many hours spent in his automobile," Donahue declared.

"With superfinished vital engine parts stepping up power by preventing loss of friction, easy, touch-operated steering post gear shift and equal pressure hydraulic brakes all synchronizing into smooth, instant action at the touch of the wary driver, he has perfect control and an unequaled safeguard against the unwary one."

LOVE SCENE

Ann Sheridan's latest leading man (she gets a new one for every picture) is Jeffrey Lynn, in "It All Came True," opening tomorrow at the Daly City theatre.

Iris had studied music for only six months preceding her remarkable San Francisco performance.

Everybody Votes for Homemade Jelly

By BETTY BARCLAY

Party dissension in the family? Try a cooking caucus! Homemade raspberry jelly brings purrs even from the fiercest of political lions. Republicans and Democrats alike unite in songs of praise for a jam of spicy garden plums. Yes, sweeter than a campaign promise—and far more reliable — are the fresh fruit spreads of this election year.

With modern, foolproof directions it's much easier to make jelly than it is to decide how to vote. The job's all done fifteen minutes after preparing fruit. You get half-again more glasses the new way. And the flavor of these particular spreads is enough to sweeten even the temper of a losing candidate:

RIPE RED RASPBERRY JELLY
(*Makes about 11 medium glasses*)

4 cups juice
7½ cups sugar
1 bottle fruit pectin

To prepare juice, crush thoroughly or grind about 3 quarts fully ripe raspberries. Place in jelly cloth or bag and squeeze out juice.

Measure sugar and juice into large saucepan and mix.

Bring to a boil over hottest fire and at once add bottled fruit pectin, stirring constantly. Then bring to a *full rolling boil* and boil hard ½ minute.

Remove from fire, skim, pour quickly. Paraffin hot jelly at once.

RIPE PLUM JAM

4 cups prepared fruit
5 cups sugar
1 box powdered fruit pectin

To prepare fruit, pit (do not peel) about 2½ pounds fully ripe plums. Cut in small pieces and crush; add ¼ cup water, bring to a boil, and simmer, covered, 5 minutes.

Measure sugar into dry dish and set aside until needed. Measure prepared fruit into a 5- to 6-quart kettle, filling up last cup or fraction of cup with water if necessary.

Place over hottest fire. Add powdered fruit pectin, mix well, and continue stirring until mixture comes to a hard boil. At once pour in sugar, stirring constantly. (To reduce foaming, ¼ teaspoon butter may be added.) Continue stirring, bring to a *full rolling boil*, and *boil hard 1 minute.*

Remove from fire, skim, pour quickly. Paraffin hot jam at once. Makes about 9 glasses (6 fluid ounces each).

Ko-Kets Elect Officers For Year

Ko-Kets Klub held their annual election of officers last week at the home of Katherine Core.

Elected for the year's term were Elayne Wadiker, president; Katherine Core, vice-president; Anita Moorehouse, secretary; Dolly Hutchings, treasurer, and Louise Savelly, in charge of entertainment and publicity.

'Self-Made' Farmer

Charles McCartney, a farmer near Sigourney, Iowa, uses only articles of his own making. He built his own house, furniture, barn and plow. He and his family wear only goatskin clothing, which he makes himself.

World's Tallest King

Christian X of Denmark is the world's tallest monarch. He is said to be six feet six inches in height.

Public Wedding At D. C. Theatre

The stage of the Daly City theatre will be the scene, at 8 p. m. Saturday, of the wedding of Miss June Meyers and Charles Wise. Judge Wade H. Clay will perform the ceremony.

Miss Meyers, one time student of Woodrow Wilson school, has lived in Santa Rosa for the past few years. Coming to Daly City several months ago, she met Wise and they decided to be married.

Wise was a student of Jefferson Union high school, and left there just two weeks before graduation to take the position he now holds.

Miss Meyer's maid of honor will be Pearl Caine and bridesmaids will be Barbara Meyers, the bride's sister; Betty Wise, the groom's sister; Marian Martin, Helen Corwin, Dorothy Palmer, and Joan Duncan.

Best man will be Eevrett Maloney. The couple will make their home in Daly City.

Timely Tips on Nylon

By BETTY BARCLAY

Surprisingly strong for a product made of just coal, air and water, the new nylon stockings demand a very special kind of care. I have found that nylon hosiery should be given the same attention in laundering as the finest sheer silk.

Like most of you, I have always been interested in the producers of the things I wear and for that reason I inquired at the American Federation of Hosiery Workers in Philadelphia about nylon and the people who make these new stockings. Nylon hosiery, they say, is available in every part of the nation with the union label. That little marker, you know, is a guarantee that the stockings were made under the best of working conditions and by skilled union craftsmen. These craftsmen tell us that nylon should be washed in luke warm suds with a mild pure soap or flake.

Squeeze the suds through the hosiery several times, remembering that nylon has a quality of absorbing very little moisture and that dirt and grime will be on the surface, only. Beware of rubbing. With nylon you merely wash the dirt off and not out.

Rinse once in lukewarm water and once in a colder bath. Then gently squeeze out the water, roll in a dry bath towel for a few minutes and hang up or spread out evenly to dry. You'll find your stockings ready to wear, all smooth and unwrinkled, in about a half hour. This quick-drying quality is amazing. Do not hang stockings over a radiator or steam pipe. Do not press with hot iron.

Women are finding that nylon is not a substitute for silk stockings. Both nylon and silk have definite points and one supplements the other. You'll want nylon shades to match your silk hosiery. Both types, the union said, are made on the same machines but at present color ranges in nylon are limited.

Pending receipt of larger shipments of nylon stockings in your favorite store you might check up profitably on your supply of silk. The new spring lines in delightful colors are available at all the shops now, with the union label if you are interested enough to ask. And aren't we all?

Victim of Tragedy Interred Friday

Victim of one of the most tragic accidents Daly City has seen for many years, Frank Giofredo (Joe), 227 Hilcrest drive, was interred Friday morning in Holy Cross cemetery.

Funeral services were conducted at the W. C. Lasswell funeral chapel by Colma Vista Grande Aerie No. 1848, F. O. E. Requiem high mass was recited by Father Charles S. Gienger at Our Lady of Perpetual Help church.

Giofredo lost his life here last Tuesday afternoon when the excavation in which he was working at 186 Belevue avenue caved in and buried him alive at the bottom of a 16-foot pit.

Partially extricated once by his companion, Norbert Pfeifer, local plumber, Giofredo was hopelessly buried again in a second avalanche of loose dirt. Police and firemen worked nearly three hours before it was possible to reach his body.

Giofredo is survived by a widow and several children. He was a member of the Sons of Italy.
